PUBLISHED WEEKLY IN CANAL POINT BY PAUL RARDIN

CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

Corn Price Down Without Reason, Celery Is Steady

Without a good known reason the price of sweet corn hit a new low this week and growers were pessimistic over the outlook for the next few days. The price Monday was a "slow \$2.00" and even dropped down to \$1.75 per crate on Tuesday.

White corn was bringing an extra fifty cents per bushel and on Monday it was quoted at \$2.50 per crate. The demand has been called moderate during the week.

While corn seemed to be in the doghouse, celery was in good demand as the Christmas season approached. The demand has been good and the market has been steady on the delectable weed with the price holding at \$3.00 to \$3.50. A few days last week brokers were scratching their heads and wondering where they would get enough celery to fill their orders.

Radishes were moving on the Belle Glade and Pahokee market at 90 cents per crate. Cakes of the best variety were in good demand with the price standing at \$3.25 to \$3.50 per bushel.

On Monday of this week the demand for beans was good and the price was nearly as good as it was last week. Monday Harvesters sold for \$5.00 and \$5.50 — a dollar under the high price of last week.

Acorn squash were selling this week for \$2.50 while peppers were moving in light quantities at \$6.00.

Art Director At Baptist Church

Dr. Karl Steele, art department director of Wheaton College, Wheaton, Illinois, will draw two religious scenes in the Canal Point Baptist Church Saturday evening and again Sunday morning. Dr. Steele is well known for his real life scenes and lighting effects to produce depth perception.

Dr. Steele is in Florida as a guest of the Florida Baptist Convention for the "Church Related Vocations Conference" currently being held in West Palm Beach and will be the guest of the local church over the weekend.

The entire community is invited to share in this spiritual experience Saturday evening and for all junior and senior high school students there will be a youth fellowship after the service Saturday evening in the recreation room directed by the youth council of the church.

ATTEND BALL GAME

Mike Watkins and his guest, Fred Sullivan, both students at Auburn University, accompanied by Miss Becky Mackey, joined Mike's parents, Mr. and Mrs. D. B. Watkins, in Gainesville Saturday where they attended the University of Florida-Florida State University football game.

HOME FROM HOSPITAL

Mrs. Floyd Erickson returned to her home in Canal Point Tuesday, November 23, from Bethesda Memorial Hospital, Boynton, where she had been recuperating from injuries received in a recent car accident.

VISIT IN ATLANTA

Mr. and Mrs. Chester Batchelor left Friday, November 26, for Atlanta, Georgia, where Mr. Batchelor is attending a Manager's meeting of Life of Georgia Insurance Company. Mrs. Batchelor will be the guest of Mrs. Irene Johnson and family in Blakey, Georgia, and Mrs. Kelly DuBose and family at Albany, Georgia.

Larrimore Road Curb, Gutter Work

Larrimore Road construction work is progressing nicely this week with the fair weather the Glades has been enjoying for several days. Rubin Construction Company of West Palm Beach, contractors on the job, are making good headway with the construction of curb and gutter work on the new road.

This week construction of curb and gutter started on the north end of the contract and also on the south end of the job. Officials of the construction concern said this week that the work will be rushed to completion.

Golden Rams Win Annual Battle And The Young Trophy

In the annual Thanksgiving eve gridiron battle between Pahokee Blue Devils and the Belle Glade Golden Rams, the Bill Young Trophy went to the Belle Glade team last Wednesday night following an interesting battle between the two teams which ended with Pahokee on the short end of a 14 to 7 score.

The score was tied at the half and a superior defense and a crushing ground game gave the Rams the victory on their home field. Along with the victory went the Bill Young Trophy, which is offered annually by the Pahokee Lions Club.

Belle Glade was in possession of the trophy for winning last year's game and the presentation this year was made by Pahokee Mayor Duncan Padgett and President of the Pahokee Lions Club George Rashley.

Boys School Head Speaks To Women

Members of the Pahokee Woman's Club heard W. M. Sult, superintendent of the Florida School for Boys, Okeechobee, speak at their Wednesday luncheon meeting, November 24. Mr. Sult was introduced by Mrs. C. M. Todd, education department chairman.

Mrs. Ray Ursry, Mrs. Paul Sasser, Mrs. W. C. Wheeler, Mrs. Sarah Hendrickson, Mrs. Ora Powell and Mrs. James Weeks were welcomed as new members.

Members were reminded of the defensive driving course to be taught at the club by the Florida Highway Patrol after the first of the year. The course is being sponsored by the Woman's Club.

Mrs. Gene Sullivan was welcomed as a guest.

Christmas Hours Set Post Office

The Canal Point Post Office will observe the following hours beginning Saturday, December 11:

Saturday, December 11 — 8:00 a.m. to 6:00 p.m.

Monday, December 13 through Saturday, December 18 — 8:00 to 6:00.

Monday, December 20 through Thursday, December 23 — 8:00 a.m. to 6:00 p.m.

Beginning December 24 the post office will resume normal schedule.

The Zip Code for Canal Point is 33438.—Elythe Smith, Postmaster

Streets Patched City Of Pahokee

Streets in the City of Pahokee, which were torn up by the construction company building the sewerage system, have been patched and again citizens can get from one place to another without running the risk of ruining their car.

The streets have been in one grand mess for many months with the sewerage construction work going on. Compliments have been heard on every hard but nothing much was done about them until the past ten days when the repair work has been carried out.

John Davis Hurt In Car Mishap

John Davis, one of the operators of the Gulf Station in Pahokee across the street from the Steak House, is in Good Samaritan Hospital in West Palm Beach in serious condition following an auto-truck crash east of Canal Point Tuesday night.

The injured man was driving west on US 98 at the intersection of Hutton Highway when he crashed into the rear of a truck driven by Sammy Williams of Belle Glade. The truck driven by Williams was turning onto the highway from the Osceola Farms turn-off when the accident happened.

According to information from the Highway Patrol, the Davis car skidded 160 feet before the crash and another 90 feet afterward, narrowly missing the canal.

Junior College Singers Present Messiah Sunday

The Palm Beach Junior College Singers under the direction of Dr. Butterworth will present the Christmas section of the Messiah by Handel in the Sanctuary of the First Baptist Church of Pahokee on Sunday, December 5, at 6:00 p.m.

A number of young people from the Glades area are in the choir and their parents and friends will welcome the opportunity to hear them at this time.

VISIT THE SPENCERS

Miss Kathleen Spencer and Francis O'Brien returned to Miami Springs Friday where both are teachers at Miami Springs Junior High School, following a Thanksgiving visit with her parents, Mr. and Mrs. Jack Spencer, in Pahokee. They were accompanied to Miami Springs by Jane Spencer, who spent the weekend with her sister.

Pahokee Elks To Hold Turkey Shoot

The Elks Club in Pahokee will hold a turkey shoot on Thursday, Friday and Saturday, December 16, 17 and 18, according to Dr. Ames, who heads the committee. Proceeds from the shoot will go to the Harry Anna Children's Home, Dr. Ames said.

Because the week set for the shoot will come at one of the busiest seasons of the year, Dr. Ames is anxious that volunteers make their assistance available to him and his committee. If you are an Elk and want to help in a worthy cause, just call Dr. Ames and let him know. He will be happy to hear from you.

Rardin Ave. Work Going Along, Curb, Gutter Started

Belvedere Construction Company of West Palm Beach — with the cooperation of the weather — is at last making a showing in the construction of Rardin Avenue in Pahokee. All the muck has been removed and Lake Okeechobee fill has replaced that to a depth of nearly three feet, making a splendid foundation for the new and modern piece of highway.

One of the State Road Department officials said this week that stabilization of the hauled-in fill has been completed and this week they started building curb and gutter. He pointed out that plans call for the start of the curb and gutter construction at Fifth Street and proceed toward Bacon Point Road.

On Tuesday of last week it was necessary for the phone company to re-lay one of its cables because it wasn't down deep enough to miss all the construction equipment being used on the street.

State Banks Show Gain In Assets

Assets of state chartered banks and trust companies reached \$2,677,822,823 in November, State Comptroller Fred O. Dickinson reported recently.

Comptroller Dickinson, in his capacity as State Banking Commissioner, said that the latest report of the banks showed gains in assets of more than \$187 million over the past year.

Dickinson noted, too, that the current total revealed increases of more than \$82 million in assets in these institutions since the start of the new fiscal year July 1.

Great County We Are Living In, So Say Speakers

Palm Beach County is one of the greatest counties in America.

The county is fourth in America in agricultural operations. These two facts and many more pointing out the advantages of living in Palm Beach County were brought to the attention of members of the Kiwanis Club in West Palm Beach Tuesday by two speakers. One speaker, Cecil S. Farrar, manager of the Resources Development Board and the other, Robert Pryor, county agricultural agent, were strong in their praise for the county they call home.

The many advantages of living in the county, such as excellent schools, fine churches, plenty of golf courses, tennis facilities, sports and waterways, were listed by the two speakers who commanded the rapt attention of their audience.

County Agent Pryor said that farmers are the biggest businessmen and at the same time the biggest gamblers in the county, meaning, of course, that they invest millions annually and risk their money against the frosts and floods that may consume their investments.

Prior said: "One-third of the dollars coming into the county come from agriculture. Sitting at the top is agriculture. Palm Beach County is the fourth largest vegetable county in the world and the largest in sugar cane production."

He pointed out that agriculture keeps up with advances in equipment and methods.

CAROLINA VISITORS

J. L. Burns of Orlando, Mr. and Mrs. O. R. Story of Charleston, South Carolina, and his mother, Mrs. Annie Story, of Jacksonville returned to their homes this week following a visit with Mr. Charles Story and children and Mrs. Story, who is a patient at Everglades Memorial Hospital. Mrs. J. L. Burns remained in Pahokee to be with her daughter during her convalescence.

TO MANAGE MOTEL

Mrs. Velva Elliott of Naples, a former Pahokee resident, moved to Orlando Thursday, where she will manage a motel owned by her son, Lt. Ronald B. Elliott, of Orlando.

HOME FROM TRIP

Mr. and Mrs. James H. Wilkinson and children, Beverly, Kathy and Jimmy, and Steve Hawk returned Sunday from a camping trip at Magnolia Ranch near Orlando, where they spent the Thanksgiving holidays.

VISIT IN GEORGIA

Mrs. Paul Tillery and Mrs. Adeline Wroten left Wednesday for a visit with relatives in Georgia and Alabama. They plan to return to Pahokee in a week.

MRS. RAMEY HOME

Mrs. George Ramey has returned to her home in Pahokee following several weeks stay in Rockledge, where she cared for her grandchild, Eben while her daughter, Mrs. Hugh Miller, III, recuperated from recent surgery.

Mrs. Betty Woods Weds E. L. Smith

The home of Mr. and Mrs. Edward Culbertson at 418 Cypress Avenue was the scene of the double ring ceremony uniting Mrs. Betty C. Woods and Everett L. Smith in marriage on Thursday, November 4, at 1 p.m. Elder Horace Lowe of Okeechobee officiated. The bride is the daughter of Mrs. Pearl Culbertson of Pahokee. The groom is the son of Mrs. Ella Wilson of Canal Point.

The candlelight ceremony took place before the fireplace which was decorated with baskets of gladoli.

The bride wore a street length sheath dress of blue lace with a matching jacket and white accessories. She carried a white Bible covered with a bouquet of yellow carnations. The Bible was a wedding gift from the groom.

The bride chose as her attendant her sister, Mrs. Shirley Lowe, who wore a pink sheath dress with

white accessories. She carried a bouquet of pink carnations.

Roy Smith of Lake Harbor served as his brother's best man.

Traditional wedding music was played by Mrs. Margaret McKinley of Belle Glade. Mrs. Faye McDowell of Pahokee sang "I Love You Truly" and "Because", accompanied by Mrs. McKinley.

After a wedding trip through Florida and South Georgia, the couple will make their home at 640 Bacom Point Road in Pahokee.

Miss Edna Allen Weds N. Brownell

Miss Edna Lenora Allen of Canal Point and Napoleon (Nappy) Brownell of Belle Glade were united in marriage in a simple double-ring ceremony held in the pastorium of the Canal Point Baptist Church Friday, Nov. 12, at 7:30 p.m. The couple repeated their vows after Rev. Lawrence Stuart in the presence of members of the two families and close friends.

The bride, daughter of Mrs.

Viola Allen of Okeechobee and Henry E. Allen of Canal Point, attended schools in Canal Point and Pahokee.

The bridegroom is the son of Mr. and Mrs. Noah Resmondo, 636 S.E. 4th St., Belle Glade. He attended Belle Glade High School and is presently employed as field foreman for Resmondo Sod Service, Inc., Belle Glade.

Given in marriage by her father, the bride wore a street-length sleeveless white lace cotton dress with matching accessories and a white orchid corsage.

Mrs. Gene Allen, cousin of the bride, was matron of honor. She wore a street-length blue crepe dress with matching accessories and her corsage also featured a white orchid.

Following a honeymoon on an island off the Florida West Coast near Fort Myers, Mr. and Mrs. Brownell are now at their home in Canal Point.

Beaches Draw Many Tourists

Tallahassee — Florida beaches continued to be the big drawing card for tourists in 1964.

The Florida Development Commission, in its annual tourist study program, showed that during the past year 64 per cent of all visitors said they looked forward to swimming and beaches during their Florida vacation.

More than 14.4 million tourists visited Florida in 1964, the report shows. This was an increase of 236,000 over the previous 12-month period. The commission is now predicting 15 million will visit the state during 1965.

Closely ranked behind the beaches as a source of looked-for fun was the state's "atmosphere for relaxation and fun." The commission said 44 per cent sought out that facet of Florida life.

Why should you buy U.S. Savings Bonds when there are so many other good investments?

To help your country is one answer — and a good one.

But Bonds have other advantages that make them worth your consideration.

For instance, they offer you just about the easiest way to save money: either with the Payroll Savings Plan where you just ask your employer to put part of your wages aside toward a Bond or through regular purchase of Bonds at your bank.

Another unique advantage of U.S. Savings Bonds is the way they stick with you. You can get your money any time.

But if you're like most people, you'll hang on to your Savings Bonds for the big things you want in your future.

And, of course, Bonds are a safe investment — as long as there's a United States of America.

Which brings us back to your country again. Bonds help defend freedom at a time when the enemies of freedom are stronger than ever.

Buy Savings Bonds. The banks or savings institutions that sell them don't charge you a penny for the service.

Keep freedom in your future with

New $3\frac{3}{4}\%$ interest on U.S. Savings Bonds

The Treasury explains why the new ones you buy and the ones you own now are better than ever

Q: How does the new $3\frac{3}{4}\%$ interest rate benefit me?

A: With Series E Bonds, the rate turns \$18.75 into \$25.00 fourteen months faster than the old rate. Your savings increase faster, because your Bonds mature in just 7 years, 9 months.

With Series H Bonds, the 10-year maturity period stays the same but more interest is paid you each six months. With both E and H Bonds the new rate works out to $2\frac{1}{4}\%$ for the first year and a half, then a guaranteed 4% each year to maturity.

Q: When did the new rate become effective?

A: June 1, 1959.

Q: Does the new rate change the Bonds I bought before June 1, 1959?

A: All older E and H Bonds pay more now—an extra $\frac{1}{4}\%$ from now on, when held to maturity. The increase takes effect in the first full interest period after June 1.

Q: Will the Bonds I own automatically earn their new rate?

A: Yes. You don't need to do a thing—just hold on to your Bonds.

Q: When my E Bonds mature, will they keep on earning interest?

A: Yes. An automatic 10-year extension privilege went into effect along with the new interest rate. This means your E Bonds will automatically keep earning interest after maturity.

Q: With the new interest rate, should I cash in my old Bonds and buy new ones?

A: No. The automatic $\frac{1}{4}\%$ increase makes it unnecessary—and in almost every case it is to your advantage to retain your present Bonds.

Q: How are series H Bonds different from series E Bonds?

A: The chief difference is this: You buy H Bonds at full face value and the interest is paid by Treasury

check every six months for the life of the Bond. You buy E Bonds at 75% of face value and the interest accumulates to maturity. H Bonds provide income for living expenses, while E Bonds build a nest egg for the future. That's why many retired people hold H Bonds and families saving for, say, a child's education, buy E Bonds.

Q: In what denominations can I buy series E and series H Bonds?

A: E Bonds: \$25 (cost \$18.75), \$50 (cost \$37.50), \$100 (cost \$75.00), \$200 (cost \$150.00), \$500 (cost \$375.00), \$1,000 (cost \$750.00), \$10,000 (cost \$7,500.00).

H Bonds: \$500, \$1,000, \$5,000, and \$10,000. They are priced at face value.

Q: How safe are U.S. Savings Bonds?

A: Savings Bonds are an absolutely riskless way to save. The United States Government guarantees the cash value of your Bonds will not drop, that it can only grow.

Q: What if my Bonds should be lost, stolen or destroyed?

A: You can't lose. Every Bond purchased is recorded by the Treasury. If anything happens to your Bonds they are replaced—free.

Q: Where can I buy Bonds?

A: Buy E Bonds at any bank—it takes only a few minutes. Buy them automatically through the Payroll Savings Plan when you work. This Plan means you can have any amount you name automatically deducted every payday. The Bonds you buy by installments are delivered to you automatically, too. Your bank will take your order for H Bonds.

Q: How do I help strengthen America's peace power when I buy U.S. Savings Bonds?

A: Peace costs money—money for military strength and for science. And money saved by individuals helps keep our economy sound.

A message from the Treasury of a free people

How to speak out for freedom today

Free men have never gone in much for silence. Even before the first thirteen States became United States, men were speaking for freedom loud and clear.

Today Americans speak out for freedom many ways—in Congress, in local government, in neighborhood activities. Some speak out for freedom in other languages, in other lands. And millions of Americans speak out for freedom every time they buy U.S. Savings Bonds.

Every Savings Bond you buy is an investment in freedom. While you're saving money for your

own family's future, you're helping Uncle Sam tend to the business of keeping men free today.

Perhaps you don't speak out for freedom in the same tone of voice when you buy a Bond as Patrick Henry did in his famous speech. But you speak every bit as surely. And every bit as proudly.

Why not speak out for freedom now? Buy Bonds at the bank or on the Payroll Savings Plan where you work.

Minimize Cleaning Of Your Stove Oven

Vapor and grease deposits on your oven lining are much easier to remove if you clean them off frequently. But the best way to keep your oven clean is to prevent spatters.

For example, minimize spatters when roasting meat by using moderate temperatures. Miss Mary Todd, Palm Beach County Extension Home Economist, says you'll want to use moderate (300 to 350 degrees) temperatures anyway to retain the meat juices and nutrients.

If you use foil to catch spatters, Miss Todd advises you to place it on the rack below the pan. Foil on the oven floor might inhibit heat circulation. However, some manufacturers are now calibrating ovens to allow for specially made foil liners.

You don't need to pre-heat the broiler grid and pan when broiling meats or fish. In fact, your grid will be much easier to clean if it's cool when you place foods on it. Water placed in the pan below the grid will catch drips and prevent spattering, but it will also dilute the juices. After your food is broiled, remove the broiler pan from the hot oven and put it to soak to make dishwashing easier.

Acids in milk, lemons, tomatoes and other foods may harm the finish on your range. Wipe them up as soon as the range cools. You can easily remove cooked-on substances on range burner pans with an oven cleaner. But most manufacturers recommend that you let the unit rings burn spilled food off instead of using a cleaning agent on them.

Even the best oven cleaner can't easily remove spills that have been neglected and allowed to bake on, fusing themselves to the oven lining. To keep oven maintenance at a minimum, keep an oven cleaner handy for spot treatment immediately after the oven cools.

Read the directions on the commercially prepared oven cleaners before you buy them. Buy the one designed for the type of oven liner you have. Because some cleaners are dangerous around heat and flames, either avoid using them with gas ranges or turn the pilot light off while you clean the stove. Also, Miss Todd warns that coarse abrasives will scratch the lining surface of your oven.

Some of the manufacturers' developments to simplify oven cleaning are pull-out ovens, pull-out panels on all sides, disposable foil liners, silicone sprays applied after cleaning, teflon linings and ovens that burn themselves clean.

Local Rote Clubs Participate In District Meeting

Pahokee and Belle Glade Rotary Clubs were co-hosts at the District 699 Rotary Conference held at the Boca Raton Hotel and Club, Boca Raton, last weekend, Nov. 19 and 20.

Nathaniel T. (Nattie) Taylor of Belle Glade, governor of Rotary District 699, presided at the conference. R. M. (Mike) Sanders of Pahokee and Dr. W. T. Forsee of Belle Glade were conference co-chairmen. Charles C. Willis served as greeting chairman; William S. Plumer, entertainment chairman; Bruce Bowe, decorations chairman; and John D. Rogers, flowers chairman.

Rotary Anns attending entertained with a coffee Friday and a luncheon Saturday, honoring Mrs. N. T. Taylor, wife of the district governor. On the committee in charge of these two social events were Mrs. William S. Plumer, chairman, Mrs. R. D. Apelgren, Mrs. E. M. Sanders, Mrs. J. E. Thompson and Mrs. W. T. Forsee.

Highlights of the conference were the Fellowship Dinner Friday night, with the Sunstone Barbershop Quartet furnishing the entertainment, and the Formal Banquet Saturday, at which the Coastmen Barbershop Chorus sang several old-time favorite ditties. Leroy H. Williams, first vice president of Rotary International and personal representative of the president of Rotary International, delivered the banquet address.

Among those attending from Pahokee were Mr. and Mrs. Joseph E. Thompson, Mr. and Mrs. William S. Plumer, Mr. and Mrs. Robert D. Apelgren, Mr. and Mrs. Claude L. Shirley, Sr., Mr. and Mrs. O. D. Carpenter, Mr. and Mrs. R. M. Sanders, Mr. and Mrs. John D. Rogers, Dr. E. C. Johnson and daughter, Mrs. Fred Clements, Charles G. Willis and Bruce Bowe. Mr. and Mrs. Rogers had as their guest at the conference his sister, Mrs. Nellie O'Riordan of Fort Pierce.

Bridal Shower Miss Robin Bowe

Miss Robin B. Bowe, bride-elect of Taddiu Trotsky of West Palm Beach, was honored with a bridal shower at the home of Mrs. Lewis M. Collins, Jr., Friday, November 26. Hostesses with Mrs. Collins were Mrs. Kyle P. Scott, Mrs. Richard K. Ames and Mrs. Fred Wolfe, Jr.

Greeting guests with Mrs. Collins and Miss Bowe were the honoree's mother, Mrs. R. Bruce Bowe, and her grandmother, Mrs. E. L. Bowe.

A floral arrangement of red and white carnations was centered on the refreshment table laid with an ecru lace cloth and appointed with lighted red tapers in silver candle sticks. The honoree was presented a corsage of white carnations while her mother and grandmother wore red and white carnation corsages.

The gift table featured a miniature bride. The hostesses' gift to Miss Bowe was a Sunbeam Mixer.

Miss Bowe will become the bride of Mr. Trotsky on December 30 in West Palm Beach.

Home Missions Man To Speak

Dr. Arthur Rutledge, executive secretary of the Home Missions Board of the Southern Baptist Convention, will speak in the Canal Point Baptist Church Sunday evening. A message from the Treasury of a free people

Each of the seven denominations of Series E Savings Bonds shows a different President of the United States. If you're interested in this kind of art, the seven make a nice collection.

Along with the hobby, Savings Bonds offer such extras as riskless investing, 3 1/2% more money at maturity, and financial freedom for your future.

But there are other kinds of freedom tied in with your purchase of Savings Bonds. Freedom to speak your piece, choose your job, and own your property, to name a few. Every Bond you buy helps our government further the cause of freedom everywhere in the world today.

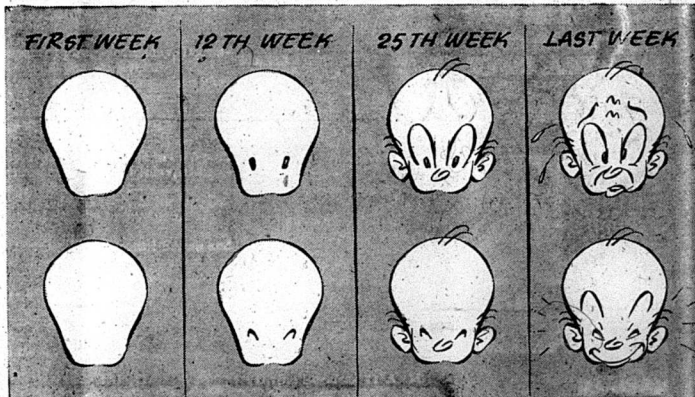

Why not start collecting U. S. Savings Bonds now? Only \$18.75 each for the George Washington variety, at your bank or on Payroll Savings where you work.

Keep freedom in your future with

U.S. SAVINGS BONDS

Two ways your face can grow in the next year!

Usually, our faces show what is happening to us. For instance, suppose the financial angle of the Christmas season is on your mind.

Suppose you know there's no cash to welcome Santa this year.

Your face will show it.

But suppose that you have enrolled in our Christmas Club, and have made your payments regularly. Each week saving a small sum and watching your savings grow.

Suppose, shortly before Christmas you receive a check for your savings during the year.

Naturally, your face will show that, too.

Make sure your face is smiling next Christmas. You can do so by joining our Christmas Club today.

Plan now for a Merry Christmas!
